All Bremer Bank Accounts for which you have appropriate rights may be linked automatically by means of your name or tax ID number. Each owner and Authorized Representative will be able to access, view and conduct transactions in all of the linked Accounts.

**Accounts Accessible by More than One Person**

If your Account(s) is owned by more than one person or is accessible by one or more Authorized Representatives, each owner or Authorized Representative may individually access the Account(s) in Online Banking. Each owner or Authorized Representative is required to enroll and create a unique User ID and Password. The terms of this Agreement will apply to each person.

If you have requested that we add an Authorized Representative to your Account, that individual is authorized on such terms, conditions and agreements as we may from time to time require to:

Enter into this Agreement, as amended from time to time;

Access each Account of yours in any manner and for any purpose available to you now or at some time in the future; and

**Transfer Processing between Bremer accounts**

Transfers between your Bremer Accounts can be initiated through Online Banking every day, 24 hours a day, seven days a week, except during maintenance periods. Transfers scheduled for weekends, holidays or after 10:00 p.m. CT will be posted to your account on the next Business Day.

## **External Transfers**

External Transfer is a feature that Bremer offers so you can transact between your Bremer checking, savings or money market accounts and an account that you are the owner of at another financial institution. You may transfer in and out of your checking, savings and money market accounts from other financial institutions.

To ensure you are the rightful owner and have proper access to an external account, we employ a registration process for each newly added account which may take up to 3 days to complete. You may set up accounts at any time, you are limited to 10 external transfer accounts. You may delete an external account at any time by contacting Bremer Customer Support at 800-908-2265.

You may schedule one-time External Transfers or establish a recurring transfer with the frequency of your choice. External Transfers scheduled after 6:00 p.m. CT or on weekends or holidays will be processed on the next Business Day. International transfers are not supported.

## **External Transfers: Transaction Limits and Funds Availability**

For outbound transfers, funds availability will depend on the receiving institution funds availability timeframes. For inbound transfers, funds will be held for two (2) full Business Days after the date of the transfer request. Funds will be available on the third Business Day after date of transfer request. For new accounts, funds from an external transfer will be held for five (5) Business Days after the date of the transfer request and will be available the 6<sup>th</sup> Business Day after the date of the transfer request.

We will process external transfers on your behalf by means of the Automated Clearing House network pursuant to this Agreement and the rules of the National Automated Clearing House Association (NACHA). We can reject an external transfer if it is not in compliance with the NACHA rules. Under NACHA rules, any credit to your Bremer account or your account at another financial institution will be provisional until such credit has been finally settled by us or by the third-party financial institution holding your account. You acknowledge that you have received notice of this requirement and of the fact that if we do not receive final settlement for an external transfer for any reason, we will charge back the amount of such transfer from the account being debited or the account being credited, as applicable, or any other of your accounts or claim a refund from you.

You agree that you are authorized to initiate every inbound or outbound transfer you request in the amount requested. You also agree that you have the authority to transact from your Bremer and non-Bremer accounts at all relevant times including at the time you set up the transfer and at the time that we initiate the debit or credit to your Bremer account.

You agree that you will have sufficient funds available in the designated Bremer account to cover your payment and any associated processing fees. In the event that there are not sufficient funds available in your deposit account to cover your payment obligation, you agree that we may offset, without prior notice or demand, any account held by you to the extent permitted by law. If the deposit account does not have sufficient available funds on the scheduled date, we may elect not to initiate one or more of the transfers. If we do elect to initiate the transfer, it may cause an overdraft in your account in which case you will be liable for the overdraft and any overdraft fees, as set forth in the Bremer Personal Account Agreement.

You are solely responsible for the accuracy and completeness of external transfer instructions provided to us. We are not responsible for any errors in the External Transfer instructions or requests for cancellation or change to instructions provided by you.

You agree that if an external transfer request describes the receiver inconsistently by name and account number, payment of the external transfer may be made on the basis of the account number even if it identifies a person different from the named receiver.

Outbound transfers are limited to \$10,000 per transfer and a maximum of \$50,000 per day, and inbound transfers are limited to \$10,000 per transfer and a maximum of \$50,000 per day.

## **Alerts**

Mandatory Alerts are required and are automatically set up to be sent to the primary email address when an event occurs, such as change to your online account access. You can change the delivery method of mandatory alerts if you have multiple email addresses or mobile phone but you cannot delete Mandatory Alerts. Service Alerts and Bill Payment Alerts both contain Mandatory Alerts

The Alerts service allows Online Banking users to request and receive email or text messages about their Bremer Accounts when certain events occur. When the alert event you have subscribed to occurs, an alert will be sent to the email address(es) or mobile phone number as designated in your subscription for that alert. Alerts are not intended to replace your account statement, use of Online Banking, or any other communications we may provide to you regarding your account(s).

You may sign up for Alerts in Online Banking within the *Customer Service* menu, and choosing *Manage alerts*. You may choose the type of Alert you would like to receive, the account(s) to which the Alerts will relate, and the email address(es) and/or mobile phone number(s) to be subscribed to the Alert. You also agree to update your email address(es) and phone number(s) with Bremer to ensure continued delivery of Alerts. You may edit or delete any of your contact information at any time.

You understand and agree that receipt of each Alert may be delayed, or prevented by factors affecting your Internet service provider(s), phone operator(s), and such other relevant entities ("Third Party Service Providers"). You are responsible for and must provide all equipment, software, and services necessary to receive email and text message Alerts from the Service. Alerts will not contain confidential information about you or your accounts and will not be encrypted. You also understand and agree that Alerts will not be sent on a real time basis, but will rather be sent at the next scheduled delivery time after the specified event occurs. We reserve the right to change the frequency or timing of Alerts, at any time and from time to time.

We will not be liable for losses or damages arising from (a) non-delivery, delayed delivery, or mis-delivery of an Alert; (b) inaccurate content in an Alert; or (c) your use or reliance on the contents of any Alert for any purchases or any other reason.

### **Text Message Use for Online Banking**

We do not charge for any content; however, downloadable content may incur additional charges from your wireless carrier. Please contact your wireless carrier for information about your messaging plan. Your carrier may impose message or charge limitations on your account that are outside of our control. All charges are billed by and payable to your wireless carrier.

- **The wireless carriers are not liable for delayed or undelivered messages.**
- **One text message per query.**
- **Message and data rates may apply.**

By subscribing, you consent to receiving text messages, including text messages from us which may include offers from us, our affiliates and partners. You can unsubscribe at any time by responding STOP to any message or by accessing *Manage Alerts* in online banking

You represent that you are the owner, or authorized user of the wireless device you use to subscribe to the service, and that you are authorized to approve the applicable charges.

We will not be liable for any delays or failures in your receipt of any text messages as delivery is subject to effective transmission from your network operator and processing by your mobile device. SMS message services are provided on an AS IS, AS AVAILABLE basis.

Data obtained from you in connection with this text messaging service may include your mobile phone number, your carrier's name, and the date, time and content of your messages and other information that you may provide. We may use this information to contact you and to provide the services you request from us, and to otherwise operate, develop and improve the service. Your wireless carrier and other service providers may also collect data from your SMS usage, and their practices are governed by their own policies. We will only use the information you provide to the service to transmit your text message or as otherwise described in this document. Nonetheless, we reserve the right at all times to disclose any information as necessary to satisfy any law, regulation or governmental request, to avoid liability, or to protect our rights or property.

The service as well as the content and materials received through the service are proprietary to us and our licensors, and are for your personal, non-commercial use only. You will not damage, impair, interfere with or disrupt the service or its functionality.

The service is available only in the United States.

We reserve the right to alter charges and/or these terms and conditions from time to time. We may suspend or terminate the service to you if we believe you are in breach of our terms and conditions. Your service is also subject to termination in the event your wireless service terminates or lapses. We may discontinue the service at any time.

If you have any questions, send us a secure message or call Bremer Customer Support at 800-908-2265. You can also text the word **HELP** to **322654** to get additional information about the service.

### **Secure Messages**

Because email transmissions may not be secure, to protect the security of your Account(s), we require that you ask questions about your Account(s), inquire about certain transactions, or provide comments on the Service, by using the *Contact Us* feature within Online Banking. To do so, while you are logged in to Online Banking go to the *Customer Service* menu and select *Contact Us*. *Contact Us* may not be used to initiate transactions on your Accounts. To initiate transactions, please use the appropriate functions within Online Banking or call 800-908-2265.

You also agree to receive communications regarding your Account(s) via electronic messages and will not attempt to circumvent receiving any messages. You are deemed to have received any electronic message sent to you when it is made available to you in the *View Messages* feature within the *Customer Service* menu. You may print a copy of such communications using the "print" function of your browser, or you may request that Bremer mail you a paper copy of such communication by contacting Bremer Customer Support at 800-908-2265.

### **Account Statements and Downloads**

When you enroll for Online Banking, you will continue to receive your regular bank statements for all of your Accounts. You are encouraged to eliminate your paper statement by signing up for Online Statements within Online Banking. You may also download transaction information for your accounts into your personal financial management software by following on-screen instructions for Downloading Account Activity. You generally can download all of the transaction history that is available on your account activity pages.

### **Online Banking Fees**

There are no monthly fees for accessing Bremer Online Banking. Fees separately disclosed to you in connection with your Accounts or disclosed during certain transactions apply when using Bremer Online Banking. The fees that have been separately disclosed to you in connection with your Account(s) will continue to apply to those Account(s).

### **Bill Pay Service**

#### **Service Definitions**

"Service" means the bill payment service offered by Bremer through our designated service provider.

"Payee" is the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

"Payment Account" is the checking account from which bill payments will be debited.

"Payment Instruction" is the information provided by you to the Service for a bill payment to be made to the Payee (such as, but not limited to, Payee name, Payee account number, and Payment Due Date).

"Deliver By Date" is the day you want your Payee to receive your bill payment

"Scheduled Payment" is a payment that has been scheduled through the Service but has not begun processing.

#### **Payment Scheduling**

The earliest possible Deliver By Date will be designated within the application when you are scheduling the payment. This is typically 4 or fewer Business Days from the current date. We will issue the payment so that it should arrive on the Deliver By Date. The Service will reflect the payment status of "Completed" when the payment has been issued. A "Completed" status does not mean that the payment has been received or processed by the Payee since we cannot guarantee on time delivery of mailed checks due to issues outside of our control such as US Postal Service delays or delays in merchant processing.

Bill Payments made electronically will be delivered to your Payee and debited from your Account on the Deliver by Date, unless the Deliver by Date falls on a non-Business Day. When the Deliver by Date falls on a non-Business Day, we will deliver the payment and charge your account on the previous Business Day. Payments made with a paper check will be debited from your Account when the check is presented for payment by the Payee.

### **Payment Authorization and Remittance**

By providing the Service with names and account information of Payees to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Payee directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Deliver by date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Payee.

The Service will use its best efforts to make all your payments properly. However, the Service will incur no liability if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The Service is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Payee; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, U.S. Postal Service, merchant processing delays, pandemics fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Payee which does not comply with your Payment Instructions, the Service will be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Payee any previously misdirected transactions.

### **Payment Methods**

The Service reserves the right to select the method in which to remit funds on your behalf to your Payee. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, one-time use card, or a direct check payment.

### **Payment Cancellation Requests**

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited

### **Stop Payment Requests**

The Service's ability to process a stop payment request will depend on the payment method and whether or not a payment has been presented for payment. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has begun processing. If you desire to stop any payment that has already begun processing, you must contact Bremer Customer Support at 800-908-2265. Although the Service will make every effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current fee for such service as set out in the fee schedule.

### **Prohibited Payments**

Payments to Payees outside of the United States or its territories are prohibited through the Service. In addition, payments that violate any law, statute, ordinance or regulation, and any payments related to illegal gambling, illegal gaming and/or any other illegal activity, are prohibited through the Service.

## **Exception Payments**

"Exception Payments" means payments to deposit accounts or brokerage accounts, payments to settle securities transactions (including without limitation stocks, bonds, securities, futures (forex), options, or an investment interest in any entity or property), tax payments and court ordered payments. Exception Payments may be scheduled through the Service, however Exception Payments are discouraged and must be scheduled at your own risk. In no event will the Service be liable for any claims or damages resulting from your scheduling of Exception Payments. The Service has no obligation to research or resolve any claim resulting from an Exception Payment; all research and resolution for any misapplied, mis-posted or misdirected payments will be the sole responsibility of you and not of the Service.

## **e-bill Delivery and Presentment**

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Payees directly if you do not receive your bill from the Payee. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

*Information provided to the Payee* - The Service is unable to update or change your personal information such as, but not limited to, name, address, phone numbers and e-mail addresses, with the electronic Payee. Any changes will need to be made by contacting the Payee directly.

The Service may, at the request of the Payee, provide to the Payee your e-mail address, service address, or other data specifically requested by the Payee at the time of activating the electronic bill for that Payee, for purposes of the Payee informing you about Service and/or bill information.

*Activation* - Upon activation of the e-bill feature the Service may notify the Payee of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Payee to Payee and may take up to sixty (60) days, depending on the billing cycle of each Payee. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Payee. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Payee reserves the right to accept or deny your request to receive electronic bills.

*Authorization to obtain bill data* - Your activation of the e-bill feature for a Payee will be deemed by us to be your authorization for us to obtain bill data from the Payee on your behalf.
