## Interest calculation compounding and crediting

<b>Interest calculation method</b>	We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day.
<b>Interest accrual</b>	Interest begins to accrue no later than the business day we receive credit for the deposit of checks and other noncash items.
<b>Interest compounding and crediting frequency</b>	Interest will be compounded and credited to your account every month.
<b>Variable interest rate information</b>	<ul style="list-style-type: none"><li>• Your interest rate and annual percentage yield may change.</li><li>• The interest rate is determined at the bank's discretion.</li><li>• We may change the interest rate on your account at any time.</li><li>• Refer to the Consumer Deposit Account Rate Sheet for specific interest rate information.</li></ul>

## Overdraft fees

Applies to overdrafts created by check, in-person, withdrawal, ATM withdrawal (unless precluded), debit card purchase, automatic bill payment, telephone transfers, account related fees, service fees or other electronic means. We do authorize and pay overdrafts for checks and other transactions using your money market account number. We do not authorize and pay overdrafts for the following types of transactions unless you ask us to: ATM transactions, debit card transactions (contact your banker for more information). We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.

<b>Overdraft fee</b>	\$35 each time you use your account when you do not have enough money in it. There is a limit of \$140 on the amount of overdraft fees that may be assessed per day. If your account balance is overdrawn by \$10 or less at the end of the business day there is no fee.
<b>Automatic Transfer Advantage fee</b>	\$10 per transfer when you enroll in Automatic Transfer Advantage (funds are automatically transferred from an enrolled account to cover an overdraft).

Member FDIC

<sup>1</sup> New money required. May not include transferred funds from existing Bremer Bank deposit account. A Bremer Bank consumer checking account is required.

<sup>2</sup> Average daily collected balance does not include deposited funds that are uncollected.

<sup>3</sup> If the balance in your account on the day the transaction posts is less than \$2.75, the fee will equal the balance in your account. However, if your account balance is negative on the day the transaction posts, the full amount of the fee will be imposed. The fee will be charged to your account on the day the transaction posts.
